Providores and Prudence

Six courses, six spirits, three nights

This exclusive sensory extravaganza is a collaboration of love between The Providores Restaurant and Sipsmith Independent Spirits.

Arrive at the Sipsmith distillery, meet the wonderful copper pot still, Prudence, and enjoy a sublime six-course tasting menu created by Peter Gordon and Michael McGrath of The Providores, each accompanied by hand-crafted spirits.

Jared Brown, the Sipsmith Master Distiller, has been busy concocting spirits to create perfect partners for each of Peter and Michael's dishes. Amongst the rare treats is a fiery Wasabi Vodka...
